WHEN IT GETS SERIOUS, GET THE ROOK.

Now your department can respond to any emergency situation, whether it's a hostage rescue, riot or natural disaster, with more strength and safety options than ever before. Developed by veteran SWAT personnel as a force multiplier in high-risk incidents, The Rook's armor and mission-specific equipment puts the situation in your favor – and takes your team out of harm's way.

THE CLOSER YOU GET TO THE END GAME,
THE MORE VALUABLE THE ROOK BECOMES.

- CHESS THEOREM

The Rook is a rolling fortress which includes the following:

- OPERATOR CAB & ADP ARMORED TO NIJ LEVEL III (OPAQUE) LEVEL IV (TRANSPARENT)
- SCBA COMPATIBLE FOR WMD & HAZMAT RESPONSE
- INTEGRATED VIDEO SYSTEM – BREACHING RAM & ADP
- CUSTOM TRAILER FOR THE ROOK AND ATTACHMENTS
- FOLDING REAR PLATFORM
- 3-DAY TRAINING COURSE

Get your team the ultimate difference maker. GET THE ROOK.
